

WILLOWBROOK BURR RIDGE  
SPORTS PERFORMANCE CENTER

- HitTrax® enables our players to see direct statistics vital to becoming a higher little league, collegiate or professional level hitter
- The results allow players to learn and correct their swing immediately
- The program gives players a better visual and mental idea of what their swing should look and feel like while they are practicing
- The metrics captured in real-time and displayed immediately are:
  - Exit Velocity
  - Launch Angle
  - Distance
  - Point of Impact
  - Play Outcome
  - Strike Zone Analysis
  - High Speed Video with integrated metrics
